

What's the Money?

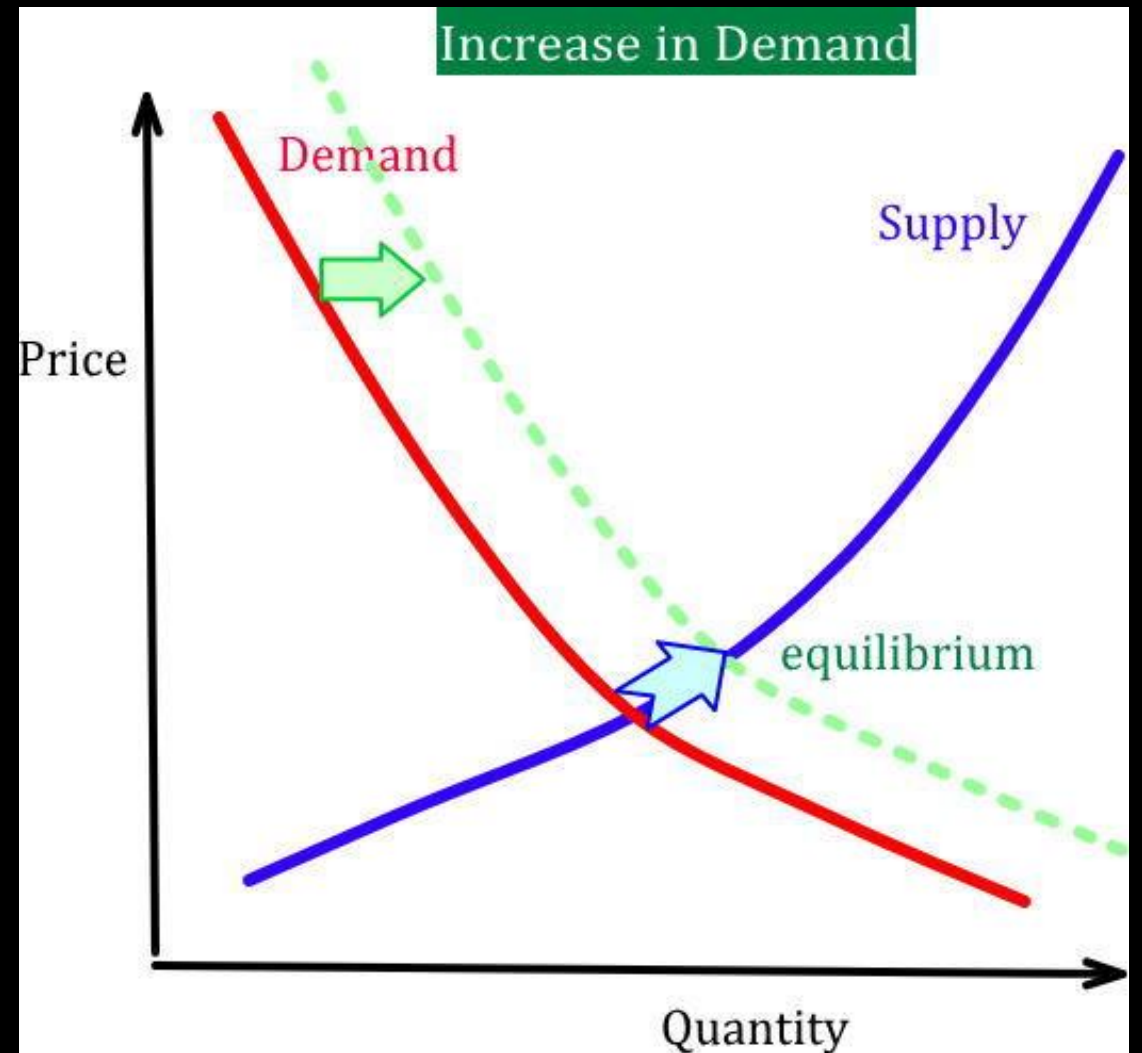

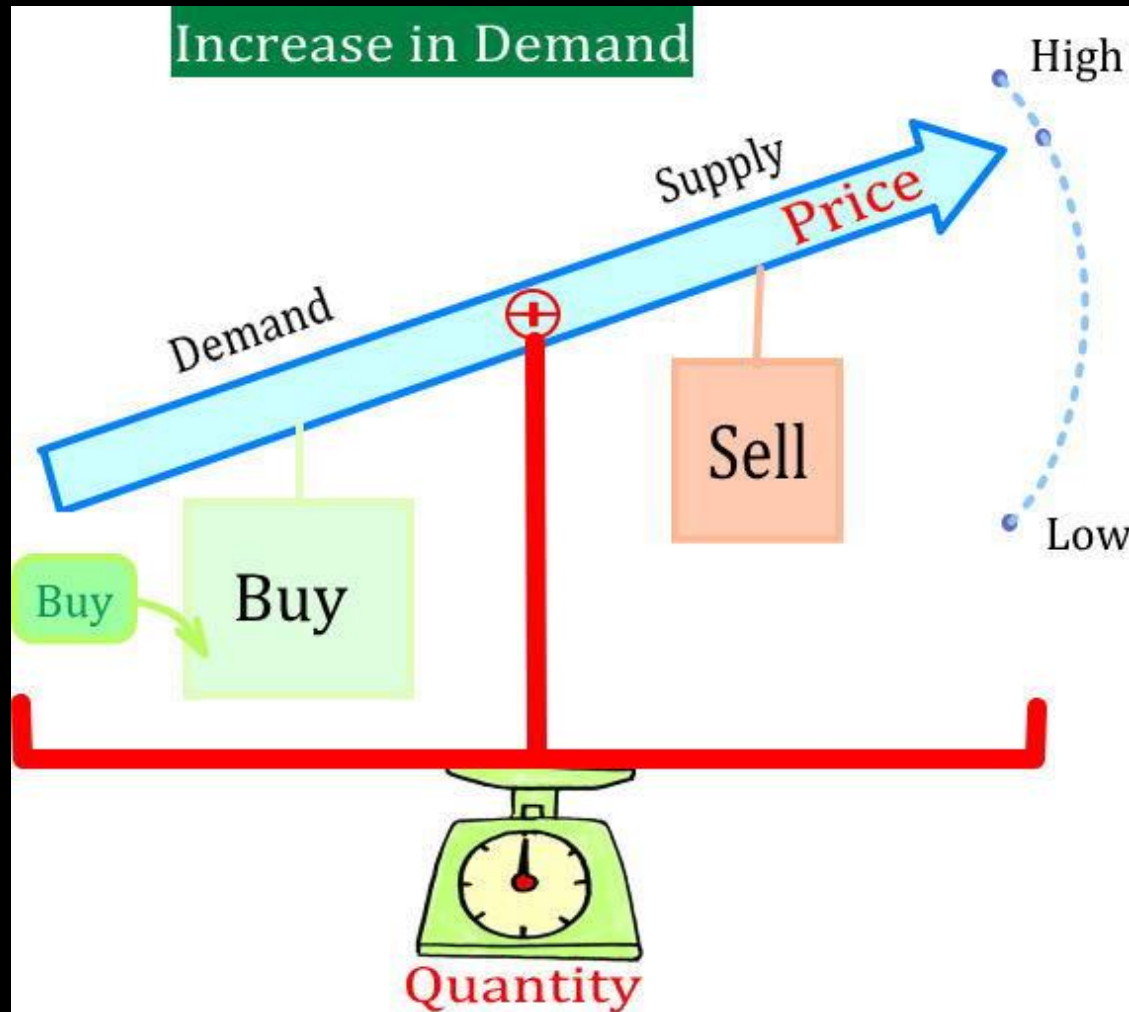

The Money was **the tool**
which changed Product and Service.

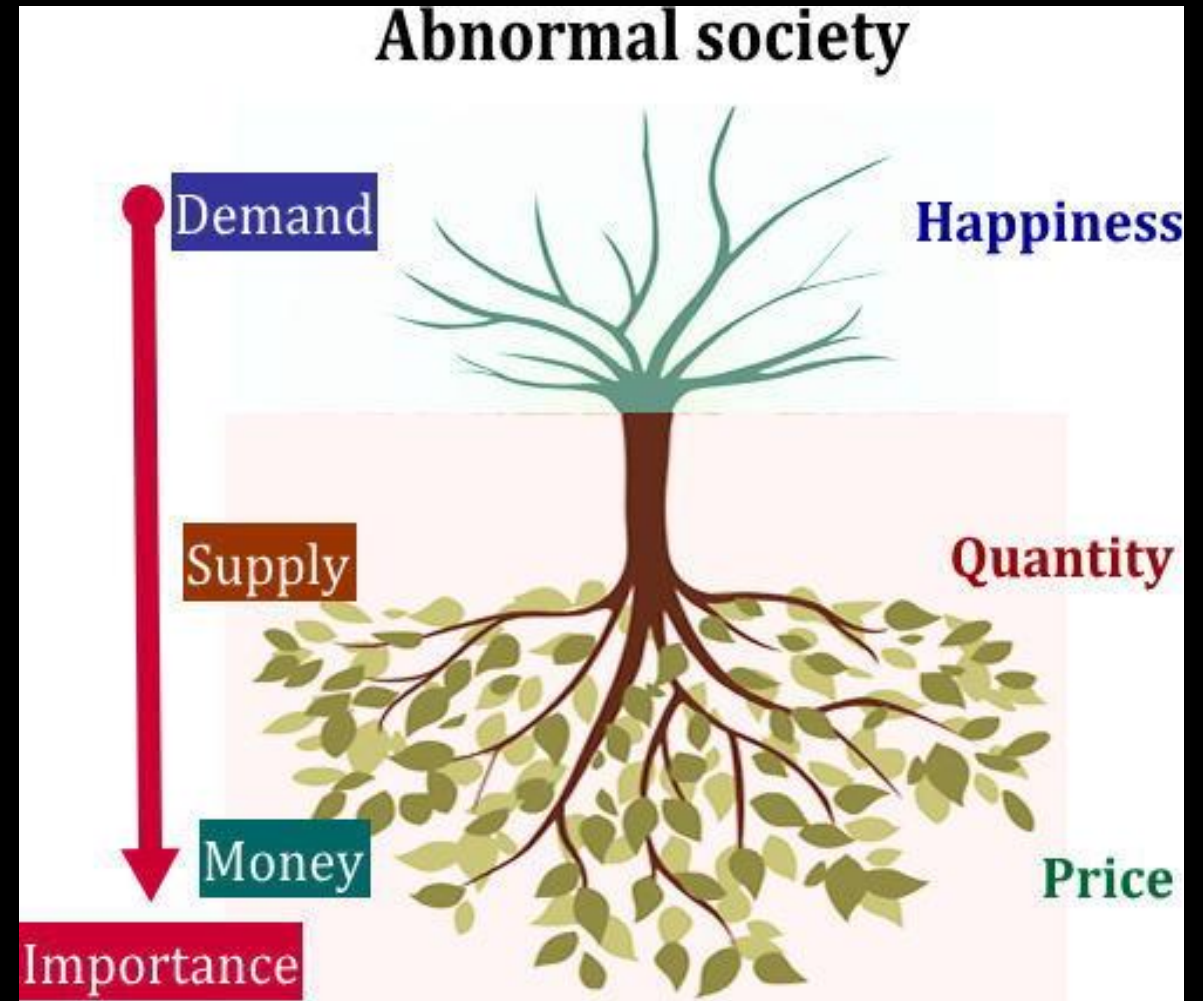

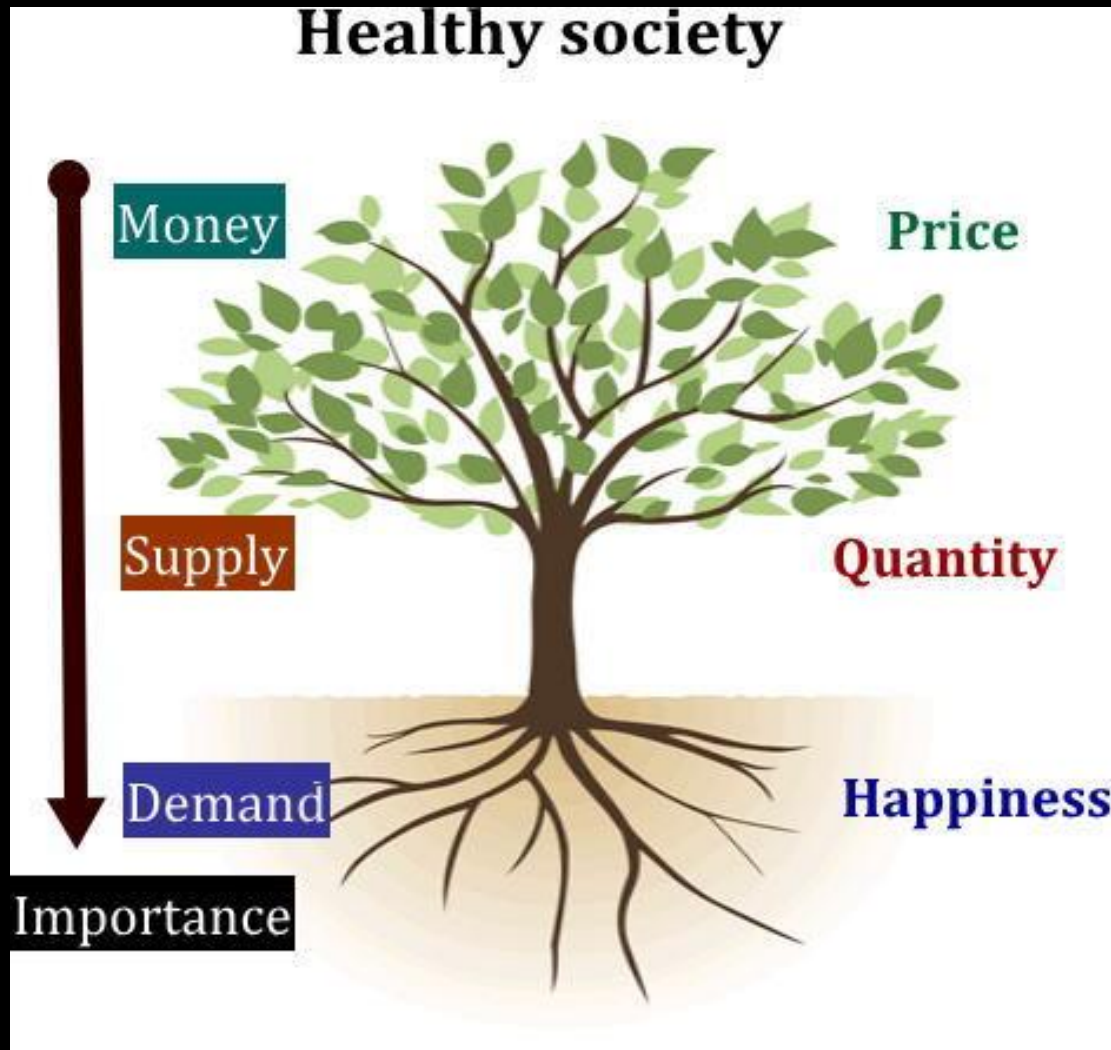

The Money **mediated**
Produce and Service.

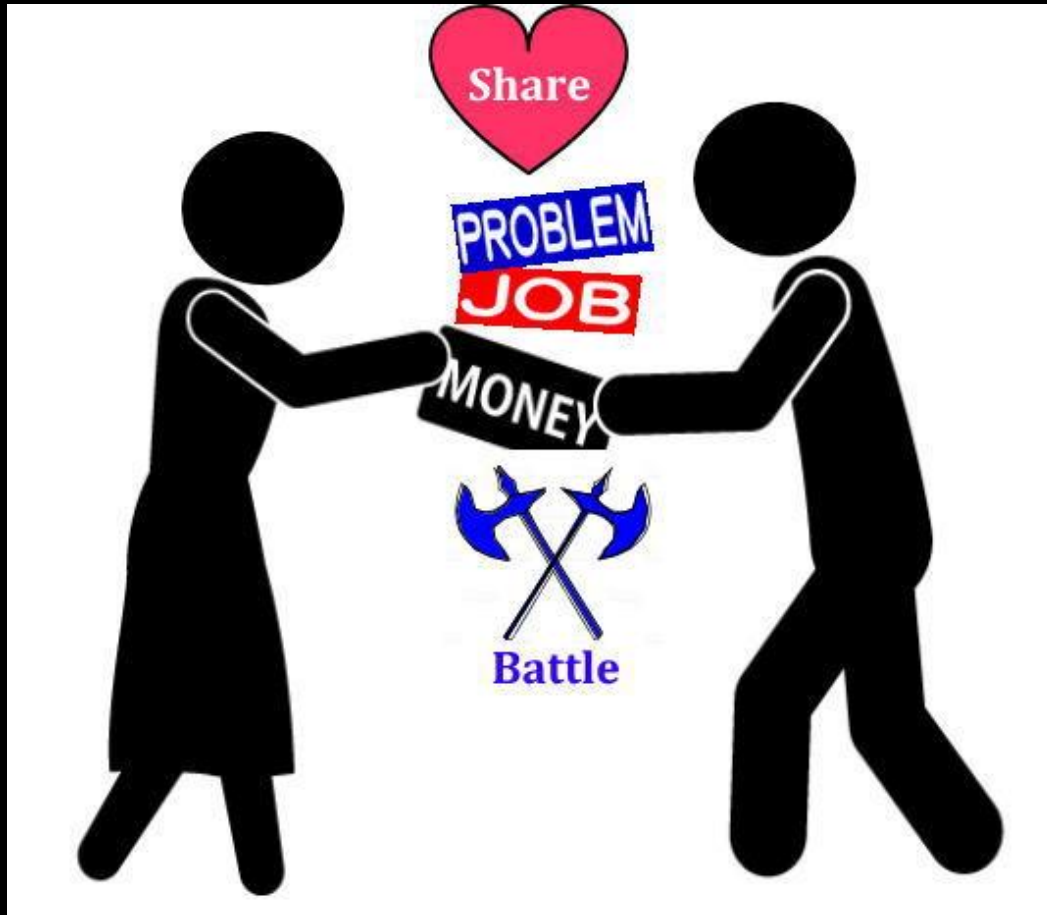

The price is decided with the quantity of **demand and supply**.

What's importance for the society?

if we **scramble** for the one each other, there is not enough

in the capitalist society,

Market competition is basic !

How can we share it ?

if we **share** with each other, there is plenty left over
