Yosaku worked in
the fields as always.

The fairy appeared again.

Only one wish is enough.
I wish to become God like You.

2

"You make God
if you keep three promises."

said the fairy.

"Mugi! We make God
if we keep three promises."
he sang.

"A Neighbour gave a sausage"
said Mugi.

"Probably She is a fairy.
Let's eat it thankfully."

said Yosaku.
